Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to figure the ADB and interest results in daily compounding of interest.*

Paying Interest: Your due date is at least 25 days after the close of each billing period. If you have Pay Over Time, we will not charge you interest on charges automatically added to a Pay Over Time balance if each month you pay your Account Total New Balance on your billing statement (or, if you have a Plan balance, your Adjusted Balance on your billing statement) by the due date. If you have Cash Advance on your Account, we will begin charging interest on cash advances on the transaction date. If you have Pay Over Time Select: we will begin charging interest on purchases added to a Pay Over Time Select balance at your request on the date that they are added to your Pay Over Time Select balance.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will

be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

American Express, PO Box 981535, El Paso TX 79998-1535

You may also contact us on the Web: www.americanexpress.com

In your letter, give us the following information:

- **Account information:** Your name and account number.

- **Dollar amount:** The dollar amount of the suspected error.

- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing [or electronically]. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.

- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.

- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)

2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.

3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at:

American Express, PO Box 981535, El Paso TX 79998-1535

www.americanexpress.com

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

PayPal Offer Terms & Conditions

Through June 30, 2021 you can earn up to \$30 in statement credits each month when you use your Platinum Card® or Centurion® Card for transactions made with PayPal at eligible merchants. Valid only for purchases made in U.S. Dollars with U.S. PayPal accounts. PayPal accounts associated with any non-U.S. country are ineligible. Purchases made by both the Basic Card Member and Additional Card Members on the Card Account are eligible for the offer. However, the statement credits will be applied to the Basic Platinum Card® or Basic Centurion® Card account only and the total amount of statement credits will not exceed \$30 per month. No enrollment required. To make a payment with PayPal, enter your Platinum Card® or Centurion® Card details into your PayPal account and select PayPal checkout. Then, when making a purchase at an eligible merchant, select your eligible American Express Card at PayPal checkout. Eligible purchases do not include fees or interest charges, purchases or reloading of prepaid cards, purchases of gift cards, person-to-person payments including those for goods and services, or purchases of other cash equivalents. If American Express does not receive information that identifies your transaction as eligible for the offer, you will not receive the statement credit. For example, your transaction will not be eligible if it is not made with your PayPal account, or if your transaction was not made directly with your eligible American Express card that is linked to your PayPal account. This includes but is not limited to payments made online at checkout without selecting "PayPal". Please allow up to 12 weeks after the eligible purchases are charged to your Card Account for statement credit(s) to be posted to the Card Account. Please call the number on the back of the Card if statement credits have not posted after 12 weeks from the date of purchase. American Express relies on PayPal to process transactions within the same calendar month that you made the purchase in order to apply the corresponding monthly statement credit in the month that it was intended. For example, if you make an eligible purchase on the last day of the month, but PayPal doesn't process that transaction until the next day, the transaction date will reflect the next day's date and the statement credit would be applied in the following month. To be eligible for this offer, your Card Account must not be canceled or past due at the time of statement credit fulfillment. Statement credits may be reversed if the eligible purchase is returned. Additionally, if American Express determines that you have engaged in abuse, misuse, or gaming in connection with the offer in any way or that you intend to do so, we may not credit the offer to, we may freeze the offer credited to, or we may take away the offer from your Account. If a charge for an eligible purchase is included in a Pay Over Time balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.
